George Bramley Memorial Match

This match does not form part of the League. It is a separate match in memory of George Bramley shot in three stages at 700m and 800m. This winner is determined by taking the aggregate of the two highest scores shot in any two of the three stages. In a particular year if there is not a shooter who has taken part in at least two of the three stages there will be no winner for that year.
